On behalf of the Southern Nevada Center for Independent Living (SNCIL), I am writing to formally extend our full support and commitment to providing in-kind assistance to the Northern Nevada Center for Independent Living (NNCIL) in support of your Legislative Advocate/Educator's outreach and engagement efforts in Clark County.

We recognize the importance of ensuring that advocacy efforts for individuals with disabilities are both cohesive and comprehensive throughout Nevada. Therefore, we are pleased to offer our resources, space, and services in any way that would facilitate the effective outreach of your Legislative Advocate/Educator during activities and engagements in Southern Nevada.

Our in-kind support will include, but is not limited to:

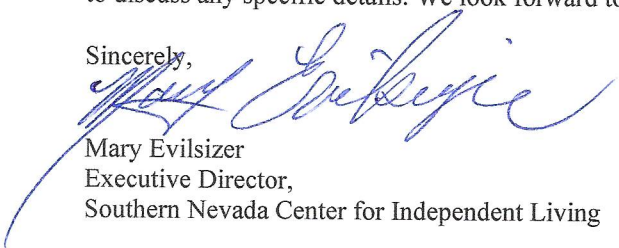

- Input on legislative issues
- Guidance and direction on legislative issues
- Joint Evaluation NNCIL and SNCIL
- SNCIL will participate in Monthly Update meetings with progress made on goals and objectives
- Use of our office space for meetings and workshops.
- Assistance with outreach to the local disability community to ensure widespread awareness of legislative advocacy efforts.

Collaboration in outreach initiatives to strengthen the presence and impact of disability rights advocacy in the Southern region of the state.

We value our partnership with NNCIL and share your mission to advocate for equal access and opportunities for all individuals with disabilities across Nevada. We are confident that by working together, we can strengthen our advocacy efforts and ensure that the needs of individuals with disabilities are effectively represented at all levels of government.
